Tailored Coat Suits \$12.45

CORRECT in style, of excellent material, well fitting. They're better looking and better garments than those ordinarily sold for \$15.00 or more. The styles in this great group are mostly plain tailored ones, although several models are neatly trimmed with velvets, braids and buttons. The materials are novelty tweeds, mannish worsteds, plain color serges and broadcloths. Added to our regular \$12.45 styles are a few of last season's models which sold for \$22.50 and \$25.00.
